Kelowna Fan Experience Mandate - March 22, 23 & 24, 2019

- Create a fun, exciting, safe and inclusive unique event that celebrates artists, animators and fan culture of all kinds.
- Create an environment to allow up and coming artists to display and share their work alongside established artists fostering an environment of mutual respect and collegiality.
- Create an environment that celebrates notable artists work and provide a platform for them to be able to share their success stories and talent with the larger community.
- Celebrate the culture of Cosplay by providing the opportunity for designers to model and showcase their creations.
- Plan fun and inspiring events that allow animators, artists and those involved in comic culture to meet up and collaborate together.
- Be a welcoming environment for all ages. Our event should be family/all ages appropriate.
- Kick off the Comic Convention/Fan Expo circuit with a sensational launch in friendly Kelowna.

About Our Event Last Year

We had over 5100 people attend Kelowna Fan Experience in 2018. Feedback following our event encouraged us to keep the vendors, artist alley, library and cosplay events on the Saturday with the Friday as a kick off/sneak peek night/set up for vendors/artists and the Sunday as a more “chill” day to take in workshops, panels and hang out with friends in our Retro Lounge. We listened and that is why we are offering this format in 2019. Some vendors asked for larger, more convention style booths. We have The Delta Grand on hold and will find out in November if we can book. Since this premium location is very expensive all Delta Grand booths will be \$250 and not eligible for discounts so we can pay the costs for this space.
